SPONSORED CONTENT OPPORTUNITIES:

EFFECTIVE WRITING DONE AT THE **PROPER TIME**

Sponsored Content in a magazine is an effective way of providing information about a person, product or place in the style of an editorial or objective journalistic article. They are not marked "advertisement", as such they have a true appearance of editorial coverage and afford you the ability to control what is being said. This allows you to choose the timing and creative format that works best for you. You can schedule sponsored content to be a part of a special themed issue or section. You can even decide to be a cover story of your own.
